

NATIONAL JEWISH FELLOWSHIP SCHOOL OF MINISTRY

The National Jewish Fellowship School of Ministry (NJF SOM) exists to provide training for those sensing a call to Jewish ministry, whether as credentialed ministers in the Assemblies of God, or as equipped leaders within the local congregation. The school seeks to promote a unified purpose for ministry within the Fellowship, providing doctrinal and practical instruction based upon core values and shared ministry goals.

Curriculum

The NJF SOM offers courses required by the General Presbytery of the Assemblies of God for credentialing requirements. Ministerial Internships are conducted under the supervision of the NJF SOM. An internship must be completed for each level of credentialing.

Textbooks that teach Assemblies of God doctrine, distinctive teachings and practices meet the approval of the General Presbytery of the Assemblies of God.

Other courses focusing on Jewish ministry are recommended and serve to enhance and enrich biblical and ministry knowledge, skills and experience to advance the mission of Messiah Jesus in the world.
